From the bottom of our hearts

Thank you!

Dear Graham, Jan and all the staff from Currency Creek Winery,

Together we would like to express our appreciation for everything you all did for us in preparation and then hosting of our wedding day on 14th February. From the moment we found out we had won there was chaos, but yourselves and all your staff became our rock, if something wasn't going to plan you were all so helpful in making our day everything we had dreamt it would be and together we cannot thank you enough for your continuous efforts and 100% dedication to our day. Graham and Jan your winery is such a beautiful place, so welcoming and such a relaxing atmosphere you should both be very proud and excited about what the future holds. Your staff is lovely, everyone is so polite and ready to attending to your clients needs always with a big smile on their faces and pleasant conversations throughout a lovely service. Special note to Cheryl, she is so special we can't describe how much she has done for

us, not only all the preparations and running of the day but the emotional support she continually provided, just to talk to her some days in our months preparation was more than enough, she always put our minds at rest and reminded us that it was our day, she is one awesome woman and we will always treasure her help. Our day was just magical and couldn't have happen if it wasn't for your part in making it all possible, we will never forget what yourselves and staff at Currency Creek Winery donated to make our day so special

Forever Thankful

Mathew and Lisa Kent
